

## Dictation 1:

*Draw a big family house with a pointed roof. The house has three floors. There are four windows on the first and second floor. There is the main door on the ground floor. There is a small attic window in the roof. There is a smoking chimney on the roof. There is a long gutter under the roof. There are two trees next to the house, one of them is small and the second one is big. There are two birds sitting on the bigger tree. A sleeping dog is lying at the front door. Sun is shining and there are only a few clouds in the sky.*

## Dictation 2:

*Draw a room. There is a large cabinet on the left. There is a photograph on the cabinet. A bed with a doll lying on it is standing at the wall at back. There are shoes under the bed. A desk is situated at the wall to the right. There is a small shelf above the table. There are five books on it. A picture is hanging on the wall by the table. There is a small table and four chairs in the center of the room. There are three empty bottles of beer on the table. A sleeping man is lying under the table.*

(You can ask in the end why the man is lying under the table and what could happen?)
