

No bees no honey, no work no money. / No pain, no gain.

Mills of God grind slowly, yet they grind exceeding small.

What is whispered is illicit.

Never put off till tomorrow what you can do today.

What you learn when you're young, you'll find useful when you get old.

Never look a gift horse in the mouth.

Look before you leap.

Hunger is the best spice.

Failure teaches success.

The apple doesn't fall far from the tree.

What goes around comes around.

As you make your bed, so you must lie in it.

Like teacher, like pupil.

What goes around comes around.

Curiosity killed the cat.

He that fears every bush, must never go a birding.

Sow the wind, reap the whirlwind.

A penny saved is a penny earned.

You live a new life for every new language you speak

Don't bite the hand that feeds you.

Love conquers all.

A bird in the hand is worth two in the bush.

A lie has no legs.

Speaking is silver, silence is golden.

Let sleeping dogs lie.

Don't count your chickens before they are hatched.

It never rains, but it pours.

All that glitters is not gold.

A new broom sweeps clean.

An eye for an eye, a tooth for a tooth.

Barking dogs seldom bite.

The darkest place is under the candlestick.

Haste makes waste.

The early bird catches the worm.

Tomorrow is another day.

The tailor makes the man.

Still waters run deep.

Patience is the best remedy.

A friend in need is a friend indeed.

East or West, home is best.

Birds of a feather flock together.

There's no shame in not knowing.
